CLASSIC SHED BUILDERS LLC

## About Us

Our family-owned business started like most plain-community businesses do: apprenticing at an uncle's shop and learning from experienced builders. Over 23 years ago, we started in slowly, building for locals, but quickly saw the need in the Northeast for well-built structures.

Meeting people and ensuring that every single one of our customers is 100% satisfied has been very rewarding, and continues to be our vision.

# \$100.93 /month

Backyard Utility, 8' x 10': \$2,725 cash,  
or \$100.93 a month on 60-month rent-

to-own.

Our easy Rent-To-Own enables you to get that much needed building now. Have storage at home and forget about all your fuel costs, inconvenience and rent at a mini storage, where you never get anything in return.

**You can purchase the shed at any time, or cancel the contract by simply returning it. No strings attached.**

- ✓ **Only one month's rent down, and you get free delivery**
- ✓ Plus sales tax
- ✓ Over \$15,000, 10% down is required.  
Maximum rent-to-own contract: \$25,000
- ✓ 60, 48, 36 or 24 month rent-to-own on LP SmartSide and custom vinyl structures
- ✓ Zero down financing, lowest rates anywhere
- ✓ Larger LP SmartSide buildings built on site (marked with † below): 120-month financing
- ✓ Pay by finance, rent-to-own, cash, check or credit card

## WHY RENT-TO-OWN?

- ✓ Our Rent-To-Own enables you to afford that building you need, immediately!
- ✓ Our Rent-To-Own eliminates hassles, limited access and travel time/fuel cost to store your belongings elsewhere, like a mini storage unit.
- ✓ With our Rent-To-Own, you'll own your own custom shed, unlike mini storage units, where you'll never own it!
- ✓ Our Rent-To-Own costs less per day than most people spend on snacks.
- ✓ You're only responsible for a small rent payment prior to delivery.
- ✓ Our flexible non-binding agreement allows you a no-strings return or early purchase option.

## WHAT ARE THE MAIN BENEFITS OF RENT-TO-OWN?

- ✓ **Immediate enjoyment & use** of the structure with only a small payment due each month.
- ✓ **Flexibility:** if you move or no longer need the structure, there's no obligation anymore. Free, no-strings-attached return.
- ✓ Rent for a few years and **keep it for a lifetime** (you never get to keep a mini storage!), or upgrade to a nicer, newer structure every year for small monthly rent payments.

- A CLASSIC EXPERIENCE -

For most companies, warranties are carefully worded documents designed to legally protect them (not their customers.) Instead of following standard industry practices, we decided to take responsibility for the long term, with a true lifetime warranty on all craftsmanship and materials.

We do whatever it takes to provide the best quality and experience in the industry - before, during, and after your purchase.

We would be honored if you gave us the opportunity to quote your project.

At Classic Shed Builders LLC, we stand behind every building with a Lifetime Warranty that covers your building in full for 40 years. The

covers your building in full, for 40 years. The expected longevity of our buildings is 40 years with vinyl, metal and LP SmartSide. This warranty is non-transferable.

For most companies, warranties are carefully worded documents designed to legally protect them, not their customers. Instead of following standard industry practices, we decided to take responsibility for the long term, with a true lifetime warranty on all craftsmanship and materials.

**Not covered:** acts of nature (storms, winds, floods, hail, fire, earthquakes, lightning); normal wear and tear, misuse, accidents or improper site preparation; landscaping, vegetation or anything that is not part of the building's structure. Timber frame pavilions are sold without warranty.

Our family-owned business started like most plain-community businesses do: apprenticing at an uncle's shop and learning from experienced builders. Over 23 years ago, we started in slowly, building for locals, but quickly saw the need in the Northeast for well-built structures! In the following years, people stood in line to order our buildings.

Meeting people and ensuring that every

Meeting people and ensuring that every single one of our customers is 100% satisfied has been very rewarding, and continues to be our vision.

Owner Caleb Schlabach and his wife Corrie have six children. We enjoy helping each other design and bring dreams to life!

As a family owned and operated company, our goal is to provide excellent service to every customer in a God-honoring way. We, as well as our team members, adhere to time-proven horse and buggy plain community and core values that are founded on biblical principles. We design, build, and sell, and are always looking for an opportunity to go the second mile for you. We take it very seriously to bring a product to market that we stand behind.
